- ❖ Consider, as appropriate, further discussion of this important international treaty in relevant Committees of the National Assembly
- ❖ Consider seeking additional information on the benefits of joining ICSANT from relevant international organizations, including the UNODC and PGA as well as regional stakeholders, in particular as relates to the benefits of becoming a State Party
- ❖ Consider drawing the matter, in an appropriate way, to the attention of the Executive Branch of Government so that they may wish, in turn, to consider the possibility of joining this important international treaty in the near future
