United Nations Office on Drugs and Crime

## UNODC WEBSITE ON THE International Convention for the Suppression of Acts of Nuclear Terrorism (ICSANT)

[www.unodc.org/icsant](http://www.unodc.org/icsant)

The leading, comprehensive resource for information, tools and updates on ICSANT – a key international legal instrument against nuclear terrorism. Available in all United Nations official languages.

Funded by  
the European Union

The website is a repository of all relevant information and existing resources on ICSANT, divided into the following sections:

**General information:**

- text of the Convention
- procedural history
- status of adherence

**Legislation:**

- a collection of national legislation implementing ICSANT
- model criminal provisions to cover the offences set forth in ICSANT, the Convention on the Physical Protection of Nuclear Material and the Amendment thereto (jointly developed by UNODC and the International Atomic Energy Agency (IAEA))

**Resources:**

- capacity-building tools
  - e-learning modules on ICSANT and the international legal framework against chemical, biological, radiological and nuclear (CBRN) terrorism
  - a manual on fictional cases related to offences under ICSANT
  - a training module on the international legal framework against CBRN terrorism
  - webinar series
- analytical articles
- self-assessment questionnaire for countries considering adherence to ICSANT
- factsheets, leaflets and other promotional material
- United Nations resolutions related to ICSANT

**Events**

**Project promoting ICSANT, funded by the European Union**

**UNODC CBRN Terrorism Prevention Programme**

**Role of the IAEA**
