

IMO Cape Town Agreement | Tackling Safety, Labour and IUU Fishing

© Francisco Blaha

2. How Safety and Labour Link to IUU

scio Blaha

“Why is the life of a merchant seafarer more valuable than the life of a fisher?”

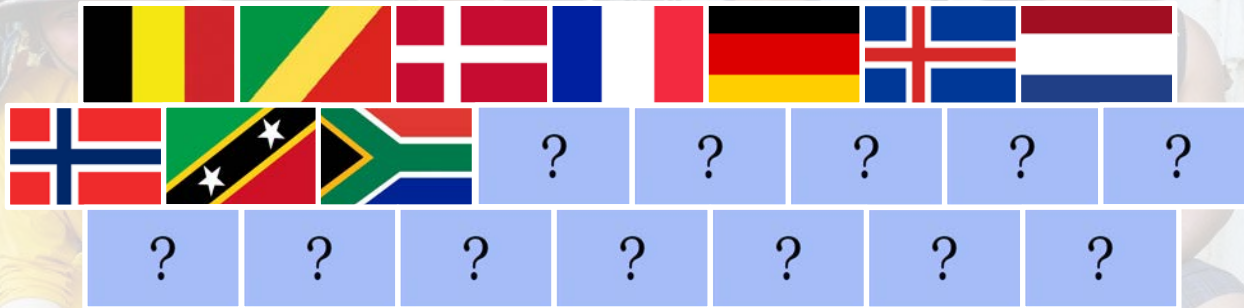

- 24,000+ estimated deaths per year
- Fatality rate more than 10 x Merchant
- No global instrument
- Fishers/observers frequently excluded
- Most vulnerable exploited
- Raise global standards
