among key stakeholders to end CEFM

Presented by:
Evans Sinkari
Program Manager
Christian Children’s Fund of Canada (CCFC)

At a capacity Building Session For African Parliamentarians on CEFM
2nd March, 2016
• Currently works in the Northern (13 districts) and Upper East Regions (2 districts) through local Ghanaian NGO partners.

• CCFC’s vision is a world where every child has a voice and the ability to achieve their full potential.
Local NGOs, communities and state institutions

– whose capacities are strengthened to lead the development of their communities through child focused, integrated community development.
So that adequate direction and support can be provided to CCFCs’s 9 development programmes in Northern Ghana.
CCFC’S CEFM PROJECT

Through the support of the Canadian High Commission in Ghana, CCFC has built the capacities of traditional authorities and schools on CEFM.

The project also targeted out-of-school girls from 30 rural communities in the Northern Region where access to secondary and vocational education is low.
