

## PARLIAMENTARIANS FOR GLOBAL ACTION

### Parliamentary Campaign for the Universality and Effectiveness of the Rome Statute of the International Criminal Court (ICC) (PGA ICC Campaign)

PGA is a network of 1300 members from more than 125 Parliaments around the globe who, in their individual capacity and using their prerogatives as law-makers, undertake initiatives to support the ICC and the rule of law. As of *September 2009*, the different initiatives and activities of these MPs have contributed directly to 65 of the 110 ratifications/accessions to the Rome Statute of the ICC to date, including the most recent ones of Czech Republic, Chile, Suriname and the Cook Islands.

The trans-regional and national mobilization of parliamentarians, supported by the PGA Secretariat, ensures accurate analyses on the different issues stalling the ICC process in different countries and the multi-partisan involvement of stakeholders to overcome these obstacles and challenges. The tailored initiatives and activities of the Campaign are structured in such a way so as to ensure 'cross-fertilization' between international and country-specific activities.

PGA also participates actively in the ongoing international campaign to increase support for the Court, in particular in enforcing outstanding ICC arrest warrants, and ensuring that the Review Conference of the Rome Statute of the ICC, slated to take place in 2010, will be a genuine success in reinforcing the important role of the ICC within the international peace and security system.

**PGA has identified the following target countries in which legislators can contribute in a concrete way to ensuring the goals of universality and effectiveness of the Court:**

<sup>1</sup> Moldova may conclude its ratification process in the short- or mid-term, as the ICC Ratification Bill is under consideration before Parliament since 2008.

<sup>2</sup> The Kenyan Int. Crimes Act, sponsored and supported by the multi-party PGA Group, has been adopted by Parliament on 11 December 2008.

<sup>3</sup> Madagascar joined the Rome Statute on March 14, 2008, after that it had amended its Constitution to finalise the ratification process, regarding which Parliament had approved the ICC Ratification Bill at the end of 2006.

<sup>4</sup> In Chile, PGA Members have promoted the adoption of Legislation to implement the principle of complementarity and a constitutional amendment to allow Chile's membership in the ICC system, which had been identified by the parliamentary opposition as legislative preconditions to ratification. As these steps have been finalised in April and May 2009, ratification occurred in June 2009, as announced by PGA Members in the parliamentary debates.

<sup>5</sup> Suriname joined the ICC system on July 15, 2008, as a result of the mobilisation of a multi-party group of MPs led by PGA Board Member Dr. Ruth Wijdenbosch MP.

<sup>6</sup> In The Cook Islands, Cabinet approved the ICC accession bill on 25 June 2008 and it became a State Party on 18 July 2008. The ICC process was led by Mr. Wilkie Rasmussen, MP, Minister for Foreign Affairs and Co-Chair of the *ACP-EU Joint Parliamentary Assembly*, who joined PGA after the ICC debate initiated by PGA members at the ACP-EU JAP Session in Ljubljana in March 2008.

<sup>7</sup> The Czech Republic deposited its instrument of ratification on July 21, 2009, but the Upper House of Parliament had approved the Ratification Bill in July 2008 and the Lower House did the same on October 29, 2008, with a qualified majority vote of 140 MPs in favour and only 6 MPs against.

<sup>8</sup> Cote d'Ivoire has accepted the ICC jurisdiction only for crimes committed in the conflict that started on September 19, 2002.
